

The Dogs/Ha Klaveem

Week of August 22 – August 26, 2011

We had a blast in our first week at Pre-K! First we got to know our classroom, how to play cooperatively in centers and we are getting used to our morning checklist.

During centers, we decorated kippot, Shabbat mats and tzedakah envelopes using our favorite art materials.

Every day during circle time, we had the opportunity to talk about the days of the week, the months of the year and daily weather. On Wednesday, the whole class voted and picked our class name. We are the dogs! Klaveem. We are also learning exciting facts about dogs.

Thank you so much for bringing in the school supplies so promptly to help start the year on a positive note.

Thank you, Max and Bailey for being our first malachim of the year and for providing the dogs with delicious snacks.

Have a great weekend and we look forward to seeing you on Monday.
