**Dear Temple Torah Member,**

**We have all joined hands and have come together as members of the Temple Torah Family. Welcome to a Community filled with Friends, Family and Extended Family.**

**NOW, it is time to take the next step. Please allow me to introduce the Men's Club of Temple Torah.**

**The Men's Club of Temple Torah is an integral part of our community, the Temple Torah Community. The Men's Club is a center for social gathering and a communal support group.**

**WE NEED YOUR HELP!**

**For \$36.00 you too can become a part of this extended Temple Torah Family. We have so many things to offer but just to name a few:**

**Speakers and a bagel breakfast one Sunday a month**

**Men's Club Shabbat**

**Building the Temple Torah Sukkah and having the Religious School children help out and adapt a Grandfather for the day**

**The World Wide Wrap**

**Men's Club Convention**

**Men's Club member Dinner (coming December 15, 2011) (See the enclosed flyer for details)**

**In 2012 we will be ADDING so many new events in the evening, to allow for our working members to be able to attend..... Trust in the fact that this will be the draw you have been waiting for...**

**Ever lasting friendships are formed and what a great place to begin your new and exciting journey.**

Thank you so much for your support, past, present and future and please remember that as with Judaism, the Men's Club is a Journey and NOT a Destination..... We cannot wait to take this Journey together with you.
